Care Instructions

- Hand wash at maximum temperature of 25 °C with neutral soaps and/or softener for natural or fine fibres.
 - Alternatively, dry clean only with the appropriate solvents.
- For garments with very contrasting colours and/or a striped design, please contact our sales department at: michell@michell.com.pe

Important Notes

- Alpaca contains black hair, which becomes noticeable in **white, light and pastel colours**.
 - These should be considered as a characteristic of **Alpaca and Alpaca Blended yarns**.
 - All our dyestuffs used are heavy metal free, **AZO-Free and comply with the REACH and OEKO-TEX STANDARDS**.
 - Low speed in flat machine and special care is recommended. Natural fibres have physical limitations with respect to synthetic fibres.
- For more information, please contact our sales department: michell@michell.com.pe
